Invitation 73rd Annual DOS Conference 2022

Greetings from Delhi Ophthalmological Society!

On behalf of the executive committee of Delhi Ophthalmological Society, it is our great pleasure to invite you to the **73rd Annual DOS Conference 2022 to be held from 7th to 9th October, 2022 at Ashok Hotel, Chanakyapuri, New Delhi, India.** This conference will bring together practitioners, researchers and educators from India and abroad who are engaged in state of the art ophthalmic academic work.

This conference will offer you the outstanding summary of the latest advances in all fields from around the world and chance to see the latest technology.

The Delhi Ophthalmological Society, with more than 10,000 members across India is committed to furthering the cause of continuing medical education and promoting camaraderie and fellowship amongst ophthalmologists worldwide. The DOS conference is a much awaited, time-honoured Academic fiesta, which attracts faculty, trade exhibitors and delegates from all over the world.

The Conference will be a three-day celebration of ophthalmology featuring the best works in the fields of Cataract, Refractive Surgery, Cornea, Glaucoma, Strabismus, Neuro-ophthalmology and Oculoplasty. The diverse program will feature plenary lectures, symposia, instruction courses, hands on wet labs, E-poster, Video and interesting cases.

The Conference will feature live surgical demonstrations in not only phacoemulsification but also other sub-specialties of ophthalmology.

As you will venture out of the confines of the state of the art conference hall and the world of ophthalmology, the vibrant Delhi bedecked in festive charm with pleasant October weather, with its legendary hospitality and bustling energy will enthrall you. After the Academic extravaganza there will be the captivating cultural program and fellowship dinner, true to the DOS traditions.

We would be delighted to have you present at this conference, and to hear what the experts, gurus and researchers have to share about technology advancements and their impact on Ophthalmology. We would also love to hear your thoughts and opinions to this direction.

We look forward to your esteemed presence at the 73rd Annual DOS Conference - 2022.

With regards

Respectfully Yours,

Dr. Pawan Goyal
President

Dr. Jatinder Singh Bhalla
Secretary
